

What is claimed is:

Handwritten: 102280-02201
Handwritten: 102280-02201
~~1. A garment integrated multi-chambered personal flotation device, life jacket, or the like, comprising:
a garment member; and
a personal flotation device attached to the garment member.~~

2. The garment integrated multi-chambered personal flotation device, life jacket, or the like of claim 1 wherein said garment is body armor.

3. The garment integrated multi-chambered personal flotation device, life jacket, or the like of claim 1 wherein said personal flotation device comprises:

a first bladder;
a second bladder associated with said first bladder;
a first mobile buoyant assembly associated with said first bladder;
a second mobile buoyant assembly associated with said second bladder; and

means for inflating said first bladder and said second bladder.

4. The garment integrated multi-chambered personal flotation device, life jacket, or the like of claim 3 wherein said first mobile buoyant assembly is in communication with said first bladder through a flexible tube.

5. The garment integrated multi-chambered personal flotation device, life jacket, or the like of claim 3 wherein said means for inflating comprises:

a compressed gas cylinder; and

a detonator in communication with said compressed gas cylinder.
